

# IMAGINE!

Thank you for teaming with us in reaching students for Jesus.

## Finding Rest in Quantity and Quality

A flyer for Jersey Cru, Jersey Metro's monthly, statewide gathering of Jesus-loving students

Two are better than one, because they have a good return for their labor: If either of them falls down, one can help the other up. But pity anyone who falls and has no one to help them up.

-Ecclesiastes 4: 9-10

To our awesome partners, those sanctified in Christ Jesus and called to be his holy people! Grace and peace to you all from God our Father and from the Lord Jesus Christ, our Savior (stole that from Paul the Apostle).

When it seems like the harvest is barren, when exams are overmuch, or when the walk is too narrow, students and staff laboring with Campus Crusade for Christ find rest in Godly gatherings.

Just one way to refresh in quantity and quality is "Jersey Cru," our monthly conference where exhortation, song, snacks and clean fun recharge students and staff to return to their college mission fields and continue the spreading of the gospel.

"[Jersey Cru] has encouraged me to not give up even the hard times," Trevena Kayann explained, a student at Passaic County College, "because I'm not alone in this walk with Christ. I have brothers and sisters who are transparent in their walk and that are real."

Trevena wants to continue studying Business Marketing at Ramapo College, after which she wants to use her skills for Christ's fame in the secular workplace.

"I really want to take that to the fashion world, shed some light for Christ there, so we'll see what God has in store," she said.

In the years to come, it'll be overwhelmingly difficult for Trevena to stand firm in the face of such a hostile profession, unless she sinks into a body of loving believers who will help her up if she were to fall.

We praise God that Jersey Cru along with all the other campus-by-campus communities are there for students to continue growing in fellowship, so they can be emboldened to advance the gospel.

We cannot wait to labor on NJ campuses in bringing in the plentiful harvest and training up Christ-centered laborers to go into a missions field after graduation, like Trevena.

One of the challenges we're facing, however, is transportation.

We have yet been able to find a decent car since our crash. If you know someone who has a car they'd like to get rid of, please let us know. Driving campus to campus and meeting to meeting is necessary in our line of work, so a car would be helpful.

We can never truly express how grateful we are that you, our partners, have actually committed time in prayer and finances to our ministry. We could only make sense of it in light of Jesus, for it's only him in us that's worth giving to.

We would like to challenge you with something, but please know that we're honestly okay with whether you accept this challenge or not.

As 2010 closes, would you consider giving a special one-time gift of \$200, \$100, \$50 or some other amount, so that we can continue pressing towards reaching lost students?

One-time gifts can go a long way in helping to prepare for shortfalls and large future needs, which is why we're presenting this.

If you'd like to give, simply send the check back to us made payable to "Campus Crusade for Christ," or go online to [give.ccci.org](http://give.ccci.org) and type in our staff account number: 0635206.

Thanks for partnering with us in touching campuses with the message of Hope.
