

# Help Us Host International Students for Thanksgiving!

North Jersey *International Students Inc.* (ISI) exists to care for and show hospitality toward any and all international students at the universities in Northern NJ. Our fellowship shares Christ's love with international students of any background, culture or faith. Every year on Thanksgiving Day, we invite American Families to host international students in their homes.

*Thanksgiving 2024 lands on Thursday, November 28th.*

What you are committing to is:

- (1) taking in 2 or more students during your normal Thanksgiving Day meal,
- (2) preparing a regular Thanksgiving meal that respects students' dietary preferences/restrictions.
- (3) arranging rides/Taxi for students to/from your homes from either:
  - (a) Hawthorne Gospel Church at 11:30 am and drop-off by 6:30 pm
  - (b) Vroom Street Church (Jersey City) at 11:30 am and drop-off by 6:30

This has traditionally been a great experience for both hosts and students. There is no pressure on you to "preach" to our students; they are regulars who hear the gospel often at our weekly meetings. We want you to have fun while showing the love of Christ with hospitality! We will contact you with further instructions and tips as we get closer.

*Notes: We will not give you more students than you ask for, but also we cannot guarantee every host will get students. We will try our best! As for transportation, the above options are the only two arrangements we can organize. Rides are part of the ministry, and we thank you in advance for accommodating!*
